

SAINT FRANCIS
INTERNATIONAL SCHOOL

KINDERGARTEN HOMEWORK POLICY

Homework is given to children every Friday. It must be completed and brought back to school on Monday morning.

The purpose of this assignment is for revision of language/maths work we have studied during the week. It is also at home where parents can spend time with their child and offer extra help when needed.

If for some reason, work is not completed at school during the week it will be sent home and must be given to the teacher the next morning.

Thanking you,
Ms. Emily
