## Supply List

Grades 6,7 & 8

2019-2020

### General Notes

- ❑ Students will be expected to replenish supplies as needed throughout the year.
- ❑ Students need to have computer and Internet access for all subjects. This can be accomplished either by home computers or at an Internet Point.
- ❑ Other basic supplies for all students: homework diary, large ring binder with separators, glue (coccoina aluminium tin or any plastic free brand), colored pencils, scissors.

With the new school year fast-approaching, we can make sure that we are environmentally friendly by considering these tips for a green back-to-school:

- ❑ Buy notebooks that are made of recycled materials- FSC-
- ❑ Make a quick revision of what you already have at home, to avoid buying more of the same material.
- ❑ Use any pens, pencils, notebooks, paper, and binders from previous semesters that are semi-used
- ❑ Pass down any school supplies from older children to younger children
