MIDDLE SCHOOL BEHAVIOR POLICY

Students are encouraged to maintain high standards of academic and personal behavior with respect toward other students, staff members, and private and public property. In order for students to reach their potential, classrooms and schools must be free of disruptive behavior.

Parent/s must be familiar with and supportive of school standards and work closely with the school staff. Whenever possible, a teacher will ask parent/s for help in correcting a problem. If the situation continues or is serious, the teacher will seek assistance from the principal or Ms. Ross (M.S. Coordinator).

St. Francis does not discriminate on the basis of race, gender, economic status, handicapping condition, national origin, or any other personal characteristics in regard to disciplinary actions against students.

Rules and regulations apply to school grounds and premises before, during and after school hours; any time school buildings or grounds are used by a school group and off school grounds at any school event.

The school administrator will determine the level of the consequence based on such factors as the age of the student, number of prior offences, and the severity of the offence.

DISCIPLINE CONSEQUENCES

Middle school is a time when students should be assuming increasing responsibility for their own choices. This includes accepting the consequences of poor choices.

Before being assigned formal disciplinary consequences, the student will be informed of the consequences and they will be explained to the student. Parents will be notified as soon as possible of any serious misconduct.

Minimum and maximum levels of disciplinary consequences are listed. It is intended that discipline be progressive in nature and move to a more serious consequence with each violation.

BEHAVIOR SLIP

Less serious acts:

Students will receive a behavior slip that coincides with the 12 school rules stated above and this must be taken home and returned with a parent signature the following day. After 3 behavior slips the parent will be notified and if deemed appropriate the child will receive one day suspension from school.

A student may receive a detention for his/her misconduct (For e.g. Speaking Italian during class or in the corridors.

Serious Misconduct

In the case of serious misconduct, the consequences may not be progressive in nature but reflect the seriousness of the situation.

School administration may require one or any combination of the following:

- Student meeting with the teacher(s) or principal
- Parental conference with the school teacher and/or middle school coordinator or principal

A decision will then be made as to whether the student receives:

- In-school suspension
- Out-of-school suspension
- Exclusion from events
- Expulsion
